SOLUTIONS PROVIDER

## Core Values

### Quality

Quality is the common denominator of all we do. While retaining competitive rates we never compromise the quality of our services.

### Innovation

We are a company of ideas, committed to research and development. We continuously invest in new products, technologies and intelligent systems.

### Excellence

We deliver on the merits of our products and services, with urgency and flawless execution.

### Customer Care

We listen to our customers and respond to their needs. We are committed to excellence in customer satisfaction.

## Who we are?

Founded in 2003 as a manufacturer of security alarm systems, ATSS has grown to become one of India's top providers of electronic security systems along with automation products for home and office.

ATSS comes with 18+ years of experience as an electronic security and automation technology solutions provider. We have worked with nearly 2000+ Customers and in more than 100+ Projects. Through our constant interaction with many clients, it has helped us not only to build knowledge but we create accurate solutions to our customer's needs, expectations, and budget. This has leveraged us to be unmatched in our business and establish ourselves as experts in this field.

Founder Member of Electronic Security Association of India - ESAI | [www.esai.in](http://www.esai.in)

ATSS dedicated itself to changing, adapting and evolving in line with emerging technologies.

## What we do?

**Manufacturing** - ATSS manufactures a wide range of Security Alarm Products such as Burglar Alarm, Auto Dialer, GSM Communicator and School Bell Timer.

**Distribution** - ATSS Authorised Distributor for ESSL, eGlu, Svarochi, OneTouch, Spintly, MapMyIndia, AeConnect, Autozone & OOB.

**Technology Solutions Provider** - ATSS through its electronic security and automation system integration division provides technology solutions for Commercial and Residential Places.

**After Sales Support** - To ensure every customer need is answered, we offer continuing support through a dedicated customer service desk ready to answer any question in real time.

# Why ATSS?

We offer one-stop technology solutions to make homes and businesses smarter, safer, and more efficient with our electronic security and automation products.

We help customers to protect people, property and assets, optimize processes to improve business efficiency. Our technology solutions and services are keeping buildings and homes more comfortable, safe and secure.

ATSS key business philosophy are Understand Customer Needs, Earn Customer Trust and Confidence.

Our main focus is not selling but understanding the customer's needs completely and providing them with perfectly updated technology solutions with exceptional service.

We have proven ourselves to be a strong reliable partner to many business, industrial and residential customers – small, medium and large.

## Our Strengths

- One-Stop Technology Solutions Provider
- Thorough understanding of business and technology
- 18+ Years of Industry Experience
- 25+ Dedicated, competent and technology-enriched team
- 2000+ Satisfied Customers
- 100+ Projects Delivered Successfully
- Commitment to quality
- Great Service Guaranteed

## Capabilities

Over the past 18+ years, we have developed a store of knowledge through hundreds of electronic security and automation projects.

We deliver technology solutions that help clients to increase the effectiveness of the electronic security and automation related initiatives. We have gained solid experience in various technologies that enables us to offer multiple options for customers and help select the right one.
